ORDER REGARDING JURISDICTION

10
11 Based on the parties' responses to my two Orders to Show Cause, I will not remand this
12 case to state court at this time. However, the parties remain responsible for proving this court has
13 jurisdiction over this case. The parties may conduct discovery regarding the citizenship of the
14 various members of the limited liability companies and entities as discussed in my prior orders.
15 Should discovery reveal that diversity jurisdiction does not exist, one or more parties may file a
16 motion to remand at that time.
